## Salisbury's Own TV Star

Jim Welsh

Jim Welsh, SSC's Instructor of English, has created quite a stir up and down the East Coast, appearing on TV as host for a series of 13 "Films of the Gatsby Era". Each week Jim discussed one of the silent films and interviewed critics and authors, associated with the films.

As evidence of Jim's popularity as a result of the series, he has inspired fan letters from spots along the TV network. A longterm TV "contract" may be in the offing.

## IN THE GULL NEST

- The transition from J.V. football last year to varsity level this year is felt in many ways. This year injuries have been more common, mistakes costlier as opponents take advantage and last year's success a little harder to come by. The coaches are working harder, too, as they undertake greater preparation.

- If you notice high school age young men sitting on the track at home games, they are special visitors. All are planning to go to college. Visitors today are from Cambridge, Easton, Delmar and Laurel. At the first game, they represented our own high schools — Wi High and Bennett.

- Many, many thanks to Gull fan Bill Haley of Dresser Industries, who has been aiding our scouts. Bill flew Student Coaches Steve Grudis and Luke Seefried to California, Pennsylvania, to scout Frostburg and to Livingstone, North Carolina, to scout Bowie. Another indication of Salisbury community interest in our team!

## A "Kool" Development

The first student "concert" of the season will occur on October 19 when "Kool and the Gang" comes to Salisbury direct from New York. The program will be College Center sponsored and will be at Delmarva Convention Hall at 8:30 P.M.

The public is invited. Student tickets are $1.00 per ticket and non-students are $3.00, on sale at the College Center.

# SALISBURY'S PRESIDENT

**DR. NORMAN C. CRAWFORD, JR.**
**President**

Directing the many progressive changes on the Salisbury State College campus over recent years has been Dr. Norman C. Crawford, Jr., President. Highlighting the transformation of the campus have been doubling of the student body and faculty, new academic programs in both undergraduate and graduate areas, as well as creation of an extensive non-credit schedule and development of the Evening Program. New and modernized physical structures are either already completed or on the drawing board.

Mr. Crawford was awarded his B.S. degree in Education, M.E. degree from Rutgers University and his Ph. D. degree from Northwestern University. Professional experience includes: Assistant of the Registrar, University College, Rutgers University; Financial Aid Director at the same institution; Scholarship Director, National Merit Scholarship Corporation; Specialist for Institutional Information, Division of Higher Education, U.S. Office of Education, HEW; Assistant to the Provost and Director of Summer Sessions, University of Delaware; Acting Director of Examinations, College Entrance Examination Board; Lecturer, College of Education, University of Delaware; and Assistant Dean, College of Arts and Science, University of Delaware.

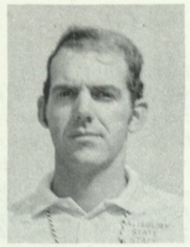
# SEA GULL FOOTBALL COACHES

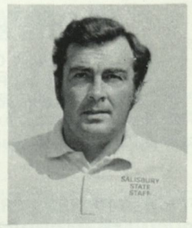


Directing the Gulls into the first year of varsity football is Head Football Coach Dick Yobst, a native of Oxon Hill, Md. He earned two letters in football and was co-captain of the Oxon Hill High team. He attended Western Maryland College where he earned a B.S. Degree in Physical Education in 1963. He lettered four years and earned the following honors: All Mason-Dixon Conference End for three years; All Middle Atlantic Conference player in 1962; All Maryland Small College Team in 1962; Methodist All-American in 1962; and Co-captain of his team in 1963.

During the 1963-64 year, Mr. Yobst was named soccer and gymnastics Coach at Taney Junior High School, Prince George's County, and was Assistant Football Coach and Junior Varsity Coach at Oxon Hill High. At the end of the year, Dick was awarded a Master of Arts Degree from George Washington University.

Yobst assumed his post as Head Football Coach and Assistant Track Coach at Bennett High in Salisbury in 1964. In addition to organizing the Bayside Conference, he was Chairman of District V Football Committee.

Dick was appointed Assistant Dean of Students in 1969, Dean of Men in 1970, and Associate Dean of Students in 1973. He was named Head Football Coach in December 1971.



Defensive Line Coach, M.P. Minton, who also serves as Associate Director of Admissions at Salisbury State College, is well known locally. "M.P." was Vice-Principal at Bennett Junior High for three years and Line Coach and Assistant Track Coach at Wicomico High for five years.

He received his Bachelor of Arts Degree in History from the University of Maryland in 1962 and his M.A. Degree in Public School Administration, also from Maryland in 1966. Minton previously attended Syracuse University from 1957 until 1958 and was a member of the undefeated Syracuse University freshmen team.

Since he has been at Salisbury State, "M.P." has helped organize the golf program and was appointed the first SSC Golf Coach in 1971.

Offensive Backfield Coach, Chet Hanulak, is a former professional football player with the Cleveland Browns. Chet was a star running back on the University of Maryland team in the early fifties and he was "All American" in 1953. He played for Maryland in the Sugar Bowl game in 1951, when the Terrapins defeated Tennessee 28-13, and he was also a member of the Terrapins in 1954, when they lost to Oklahoma, 7-0 in the Orange Bowl.

Drafted by the Cleveland Browns in 1954, Hanulak had a great year and was selected "Professional Rookie" of the year in NFL. He scored one touchdown for the Browns as they beat the Detroit Lions for the NFL Championship 57-14, and his best game was against the Pittsburgh Steelers when he scored three touchdowns.

Chet joined the Air Force as a Second Lt. and Personnel Officer in 1956 and he also played on and coached the Bolling Air Force team in 1955 and 1956. When he went back to civilian life in 1957, he returned to the Cleveland Browns. However, in 1957, he injured his knee and retired from professional football.

Hanulak is currently owner and manager of Super-Clean Car Wash on South Salisbury Blvd.

Defensive Coordinator Coach Mike McGlinchey, is a native of the State of Washington, but grew up at Newark, Delaware. He was a three letterman in football, wrestling and baseball at Newark High, and as a Junior, he won the State 103-pound championship in wrestling.

Attending the University of Delaware, Mr. McGlinchey earned six varsity letters – three in wrestling, and one each in football, soccer and baseball. In his senior year, he received the Outstanding Senior Athletic Award and the W.S. Red Tawes Award, presented to the most outstanding wrestler.

During his service career from 1967 to 1969, Mike won both the Fifth Army 191-pound wrestling championship, while at Fort Leonard Wood, Missouri, and the U.S. Army European Comman 191-pound championship at Baumholder, Germany. He also played semi-pro baseball for four years.

Offensive Line Coach Mickey Kwiatkowski, who also is Assistant Director of Housing, is a native of Clifton Heights, Pa., and he received his B.A. and Master's degrees from the University of Delaware.

He taught at several Delaware area high schools while pursuing his Master's degree. Recently, Mr. Kwiatkowski was Chief of Instructor Training Branch of Instructor Methods Division of the Army Security Agency Training Center and School. Mr. Kwiatkowski served with the Army at Fort Devens (Mass.) as a Lieutenant.

At Clifton Heights High School, he earned three football letters and was captain of his team. He played as offensive guard on University of Delaware's team and was named to the offensive line of the All Middle Atlantic Conference Team as a senior. He also played in two Boardwalk Bowls at Atlantic City, New Jersey.

Mr. Kwiatkowski also coached the offensive freshmen line at Delaware and assisted for two years in coaching the varsity.

## VARSITY AT SUMMER CAMP

## JUNIOR VARSITY AT SUMMER CAMP

## SSC's ATHLETIC DIRECTOR

Deane Deshon came to Salisbury State in 1962 and he immediately began to build and rekindle the baseball and basketball programs. He began as physical education instructor and in 1971 was named Athletic Director.

A native of Maine, Mr. Deshon did his undergraduate work at the Maine Maritime Academy and University of Maine. He holds a M.A. degree from the University of Maryland.

With the number of varsity sports growing to ten over the past few years and the intramural program developing rapidly, the AD's task has become increasingly more difficult.

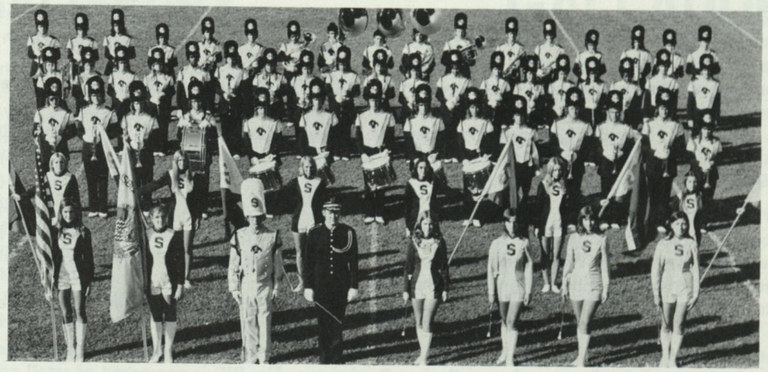
# We Salute Four Area High School Bands



The Salisbury State College Marching Band again opens today's Pre-Game activities with their school and patriotic presentation.

At halftime, Mr. Charles F. Smith, Jr., Director, and Jack Burton, Drum Major, quickly move the band through several well-known movie themes of the past, starting chronologically with one of the most extensively travelled musical themes of all times, Richard Strauss' theme from "Also Sprach Zarathustra", subsequently transformed into the 2001 Space Odyssey theme, borrowed by numerous TV commercials and finally to the beat of today's generation. The band takes the field to "Odyssey Rock".

The award-winning movie "The Godfather" produced one of the finest melodies of recent years for its title song. Closely observe the "spiral" creation of the band and majorette Robin Parker's interpretation of this outstanding selection.

The "Marching Sea Gulls" conclude their individual halftime presentation with a concert performance of Issac Hayes' driving theme from the movie "Shaft".

At this point in the halftime, four outstanding high school bands from the Eastern Shore of Delaware and Maryland join the Salisbury State College Band in the inaugural of the first SSC High School Band Day. We graciously welcome James M. Bennett Senior High School of Salisbury under the direction of Mr. Steve Clapper, Delmar Delaware High School directed by Mr. James Baione, Sussex Central Senior High School of Georgetown, Delaware under the direction of Mr. Eugene Bowne, and Wicomico Senior High School of Salisbury, directed by Mr. Tom Zimmerman.

Featuring "Bands in the Round", all bands now perform one of the outstanding Carpenter hits, "For All We Know", followed by Don McLean's "American Pie". To conclude today's halftime enjoyment, a fine patriotic arrangement of the "Battle Hymn of the Republic" is featured. We hope you enjoy the sounds and sights of 450 student musicians of our beautiful Eastern Shore.

# A Look at Gallaudet

DR. EDWARD C. MERRILL, JR.
President

**THE COLLEGE** Gallaudet College is the only liberal arts college for the deaf in the world. A private, non-profit corporation, the College was established to provide a liberal, higher education for deaf persons who need special facilities to compensate for their loss of hearing.

The primary purpose of the College is "to afford its students the intellectual development that can be acquired through a study of the liberal arts and sciences."

The major goals of the College over the next five to 10 years will be the continued development of instructional, service and research programs which will be aimed at meeting a broader range of educational needs of deaf people.

Enrollment in the College has increased markedly during the past decade — from under 400 students in 1960 to more than 1000 students in the 1970's. This increase has been paralleled by growth in the size of the faculty and of the physical plant.

The College remains the only institution in the world offering a liberal higher education specifically for the deaf. In 1971, for example, 119 students came from foreign countries.

Dr. Edward C. Merrill, Jr., became President of Gallaudet College in 1969. He has only three predecessors: Dr. Edward Miner Gallaudet, 1864-1910; Dr. Percival Hall, 1910-1945; and Dr. Leonard M. Elstad, 1945-1969.

**ATHLETICS** Student interest in athletics is so high that the College, despite its relatively small enrollment, is able to field teams engaging in intercollegiate competition in 11 sports — football, basketball, baseball, soccer, wrestling, swimming, cross-country, track and field, bowling, golf and tennis. Almost half of the eligible male students are members of one or more of these teams.

Intercollegiate sports for women include swimming, volleyball, basketball, bowling, field hockey and tennis.

The College is a member of the National Collegiate Athletic Association and competes in the Mason-Dixon Conference and the Potomac Intercollegiate Conference. The PIC is composed of small colleges in the vicinity that do not offer athletic scholarships.

## OUTLOOK

Athletic Director Wilmer Reynolds comments: "1973 looks like a building year for Gallaudet, with only 15 members of the 39-man squad returning from last season. These veterans are concentrated in the defensive backfield and on the offensive line. The Bisons' six returning lettermen share nine years of experience among them.

A majority of the team has never before competed in collegiate football, but some of the new talent looks very promising. The team could jell in these first few weeks and go on to improve on last season's 2–7 record."

Head Coach Pat Baker comments: "This year's team is very young and lacks the experience of the 1972 Bisons. But despite our overall inexperience, individually we have better athletes on this team. As far as key players, quarterback Ricky Suiter and running backs Craig Sellers and John Williamson. Suiter was our backup quarterback last year, and in his first starting role two weeks ago against Montgomery/Rockville he passed for 182 yards and rushed for 20 more. Sellers had five receptions for 26 yards and 12 yards rushing in that game, and Williamson had only four yards rushing, but both have excellent potential."

## ABOUT THE DRUMMER

Gallaudet student David Steudel beats count on the sidelines. The quarterback calls the drum beat in the huddle. The ball is centered on whatever number is called.

## LAST YEAR'S RESULT:

# The Academic Side

**NO "MONKEY BUSINESS" HERE**

The Department of Business Administration and Economics, now three years old, claims the fastest growing major at Salisbury State. Starting with a faculty of two and no majors, the Department now has seven faculty and 260 majors.

The real story lies not in growth and size, but in quality. Offerings in the majors have been expanded dramatically.

As an example, the Department now offers all courses required to sit for the C.P.A. Examination. And, in addition to Accounting, the major can concentrate in Management, Marketing or Finance.

Evening offerings have also been expanded to all community members to pursue an undergraduate degree in Business Administration.

**REAL LABS STARTED**

The laboratory of business is business itself. With this in mind the Department instituted "internships" last year. The intern works in business or government and gains not only on-the-job experience, but also earns academic credit for his efforts. Evaluation of this program from employer and employee has been enthusiastic.

**"ECO" ECHOES**

Although small in number, the Economics majors have the opportunity to take a wide range of courses from the traditional offerings to radical readings in Economics and Urban Economics. The Economists also provide the required service courses for BUAD majors.

**FUTURE PLANS**

The Department plans include courses for the Hospitality Industry, short courses and seminars for the community and governmental agencies, and continued close cooperation with Business and Government in the area.

**$100,000 PROGRAM**

A five-year annually renewable $100,000 program of enrichment and extension of Social Welfare Offerings at Salisbury State College has been made possible through an HEW grant, it was announced a week ago by Dr. Norman C. Crawford, Jr., President.

The development of the program has resulted from a grant by the Social Service Administration of the State Department of Employment and Social Service. The program will enrich and extend the college's social welfare offerings to prepare students for careers in human relations, social interaction and social service.

Dr. Crawford said that the initial grant includes provision for administrative supervision, as well as employment of two new field instruction faculty to work with students and the social agencies of Maryland's nine Eastern Shore counties.

The Salisbury President also noted that the grant will be used to compensate faculty for consultation, extension teaching and seminars of in-service training where desired, and for discovery and encouragement of students committed to service on the Eastern Shore. Secretarial assistance will also be funded under the program.

*Dr. John Shope (front center) hands over papers authorizing grant from HEW to SSC for enrichment of Social Welfare Offerings to Academic Dean Thomas Erskine. Other Sociology Faculty looking on are from left: Harry Aldrich, Edward Steffes, Rene Morris, Anthony Bandyk and A.K. Talbot (seated).*
